Quality Play Sets

CREATING FAMILY MEMORIES

"I'm happy to report that both our boys (2 and 4 1/2 years) love it! They play on it whenever they can and really enjoy the sandbox the most! It's extremely sturdy and was a pleasure to put together.

The craftsmanship is 1st rate and the instructions were easy to follow."
 ~ J. Al-Jbouri, Newmarket, ON Canada

"The swing set is very sturdy and well put together.
Set up was fast and service was wonderful."

~ Jocelyn Welsh, Youngstown, OH

"Amazing service in sales, delivery, and set up! Everyone involved was professional and helpful!

Thank you!"
 ~ Breanne Keyoski, Adena, OH

"They did a great job!"

Our grandson loves his play place as he calls it."
 ~ Martha Showman, Waterford, PA

We purchased our swing over a month ago & couldn't be happier. The swing set up was quick & easy. Seems extremely durable & we believe our son will enjoy it *for years to come.*

Structural Strength

Southern Yellow Pine has superior structural strength and a lasting exterior surface which makes it perfect for creating a sturdy, durable playset.

Easy Installation

Our professional installers are prepared to deliver and assemble your play equipment for you.

Unique Design

Our products have unique design features exclusive to Play Mor Swing Sets making them attractive additions to your backyard.

Multiple Options

Play Mor wooden playsets are option friendly. Accessories easily attach to any part of the tower.

Ready Changeability

Changing the color of your wooden playset is as easy as adding a fresh coat of paint or stain.

Lasting Memories

Memories made with your children are priceless. Interacting with your children on one of our wooden swing sets is bound to create precious, fun-filled memories.

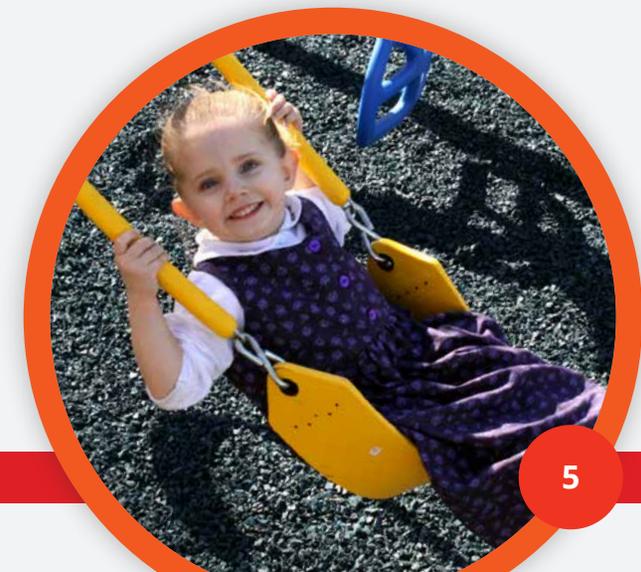

Renewable Resource

The harvest cycle for Southern Yellow Pine is only 25-40 years. Harvesters ensure future resources by planting thousands of acres each year as they harvest.

Lasts For Years

We pay attention to detail. All of our lumber is milled and all edges are rounded to keep our product free from sharp corners. Memories made with your children are priceless. Interacting with your children on one of our wooden swing sets is bound to create precious, fun-filled memories.

We have to say how much our family is enjoying our play structure. Since the day it arrived it has been the backdrop for some wonderful photo opportunities. My son always provides

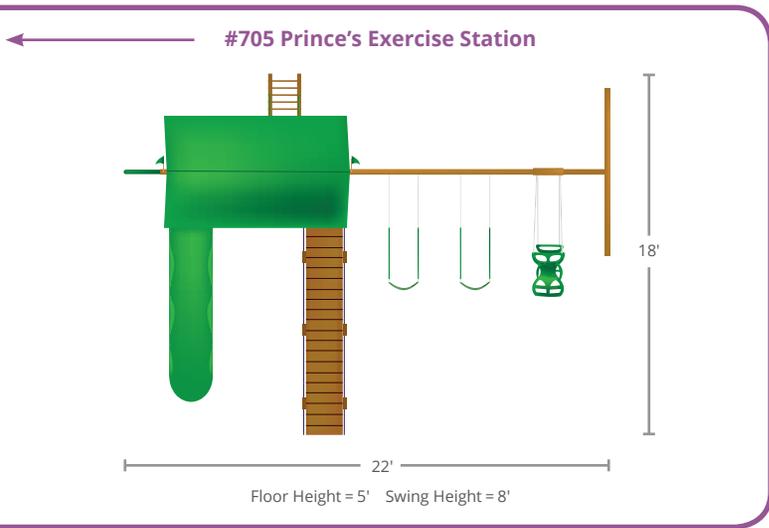

us with *huge smiles* in his swing.

CHOOSE AN ATTACHMENT BEAM

Our triple 2x6 Attachment Beams are much stronger than solid 4x6 beams. A 2x6 cap across the top of the beam adds strength and rain protection. The beam is supported by laminated 4x4 posts and sturdy wooden angle braces which make this attachment a very durable structure. Attachment Beams are available in five different styles and at three different levels (heights). First choose the style, then choose the level. Finish by choosing the swing attachments of your choice.

Attachment Beam 2 Position
Length = 8'

Attachment Beam 3 Position
Length = 12'

Attachment Beam 4 Position
Length = 14'

Disc Swing Attachment Beam
Length = 14'

Tire Swing Attachment Beam
Length = 12'

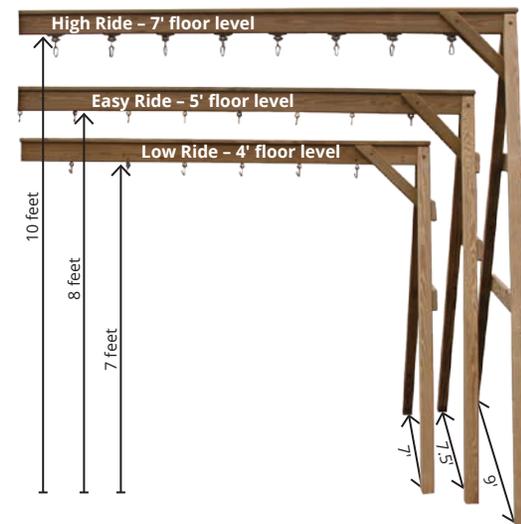

Styles

We offer five different Attachment Beam styles. Each style is distinguished by the swing attachment positions it offers. These styles, their lengths, and their available options are listed in the chart below. Choose the appropriate style for your family and then choose from the list of swing accessories that fit that style.

FIVE YEAR LIMITED WARRANTY TEN YEAR LIMITED WARRANTY (Specified Components)

Five Year Limited Warranty: Hershberger Lawn Structures, Ltd., 8990 SR 39, Millersburg, Ohio 44654, hereinafter the Company, warrants to the original purchaser its Play Mor Swing Sets to be free from defects in material and workmanship for a period of five (5) years from the date of sale.

Ten Year Limited Warranty: The Company warrants to the original purchaser (1) all treated yellow pine wooden components against damage caused by termites and fungal decay and (2) its metal braces, Play Mor Scoop Wave Slides, and Play Mor Baby Swings to be free from defects in material and workmanship for a period of ten (10) years after the original purchase date.

General Provisions Applicable to Both Warranties: "Defects" do not include surface rust on metal parts and chains; surface checking and cracking on wood which does not affect the structural integrity of the Swing Set; mold growth; fading, peeling, blistering, or any other deterioration of the stain application; or fading of colors on unit components and therefore such conditions are not covered by these warranties.

Our obligation under these warranties is expressly limited to repairing or replacing, at our option, any parts of the warranted item found by us to be defective in material or workmanship.

The Company's obligation under these warranties shall not include any transportation charges, cost of installation, nor any liability for special, indirect or consequential damage or delay, whether arising in contract, in tort, under warranty, or otherwise. Some states do not allow the exclusion or limitation on incidental or consequential damages, so the foregoing limitation or exclusion may not apply to you. The Company shall not be held liable under warranty for damage arising from transport, vandalism, or improper handling and storage at the site of any dealer or reseller prior to installation. Any improper use or abuse of the warranted item shall void this warranty. This limited warranty extends only to items used for personal, household or residential use, and not to public, commercial or other use.

The Company makes no other warranty, expressed or implied. The Company makes no warranty of merchantability or fitness for any particular purpose beyond the term of the express warranty; however, some states do not allow limitations on how long an implied warranty lasts, so this exclusion may not apply to you. No employee or representative is authorized to change this warranty in any way or grant any other warranty on behalf of the Company.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Site Preparation

YOU must have a level, prepared site. A level, prepared site is of utmost importance to the installation of your play set. Please ask our salespeople for help if needed.

Use of Equipment

Play Mor Swing Sets are designed for use by children. While the manufacturer has made sincere efforts to build safe and high-quality play equipment, it is recommended that use of the equipment by children be carefully supervised by adults.

Maintenance

Accidents and personal injury can happen on any play equipment. An adult should periodically inspect the equipment for loose bolts or other parts, and for sharp edges caused by damage to the equipment. Necessary repairs should be made prior to additional use. The equipment must be assembled by an adult, and children should not be permitted in the area during assembly.

What does a beautiful treated deck have in common with a handsome wooden play set? They both need rich coats of stain periodically to maintain their beauty and strength. Unstained wood will be subject to severe cracking and discoloration. Please maintain the eye appeal of your play set and enhance its structural soundness by applying a fresh coat of stain as needed. Your grandchildren will thank you some day.
